Journal - Office of Legislative Counsel Tuesday - 1 December 1964

25X1	4. Congressian Ogden Reid inquired
25X1	on several matters of current intelligence interest on!
	was able to supply him the information desired. He was most appreciative.
25X1	AND PART OF THE PA
	istrative Assistant to Senator Bourke B. Hickenlooper, and learned that
₩	the Senator had cut short his trip and had arrived back in the office
	unexpectedly. The Senator will be in his office this afternoon and pre- sumably temorrow. The Director's office has been notified.
	6. Returned to the House Foreign
	Operations and Government Information Subcommittee the copy of
	remarks on the polygraph which was borrowed from the committee
	yesterday. I also advised Mr. Kass, Committee Counsel, that with regard
	to Dr. Aldrich's invitation, there has been a sixty day or more delay in
	delivery of equipment; and, as a result, it is not expected new before February
	Mr. Ease thanked me very much for the advice and indicated that he would
	still be interested at such time as Dr. Aldrich would care to have him out to see the equipment.
25X1	
25X1	te see the equipment.
25X1	1. Met with Colonel Harold A. Gould, Technical Adviser, House Science and Astronautics Committee. Colonel Gould indicated that Chairman Miller may be back in the city on the 9th of December, but
25X1	1. Met with Colonel Harold A. Goold, Technical Adviser, House Science and Astronautics Committee. Colonel Goold indicated that Chairman Miller may be back in the city on the 9th of December, but it is not known whether he will be attending the briefing. He will advise me
25X1	1. Met with Colonel Haroid A. Gould, Technical Adviser, House Science and Astronautica Committee. Colonel Gould indicated that Chairman Miller may be back in the city on the 9th of December, but it is not known whether he will be attending the briefing. He will advise me on 8 December of the names of the persons on the committee staff and from:
25X1	7. Met with Colonel Harold A. Gould, Technical Adviser, House Science and Astronautics Committee. Colonel Gould indicated that Chairman Miller may be back in the city on the 9th of December, but it is not known whether he will be attending the briefing. He will advise me on 3 December of the names of the persons on the committee staff and from the National Aeronautics and Space Council who will be attending. In passing.
25X1	1. Met with Colonel Haroid A. Goold, Technical Adviser, House Science and Astronautics Committee.
